

RULES OF THE STUDY ROOM AT BLOCK 11

- 1. Study room is intended for quiet study only.**
- 2. Smoking and consumption of alcoholic beverages is strictly forbidden.**
The same rules as in the house rules of SFA (SÚZ) apply.
- The keys can be borrowed in exchange for the dormitory card at the block reception. **If you leave the study room for more than 30 minutes, return the key back.**
- 4. If you intend to create models or use glue or draw, please use suitable pads.** For cutting, use the white table in the corner. Do not take up too much space and clean after yourself. For models bigger in size, please consider Modelland - <https://wiki.sh.cvut.cz/start?id=en/klub/projekty/modelland>
- Do not leave personal belongings in the study room without supervision.
- When leaving the room close the windows and turn off the lights. Return the furniture back to its former place. **Borrowing equipment from the study room is classified as stealing.**
- Please, behave like adults. If you happen to spill something, then clean your mess. You are able to use cleaning utensils in the corner of the room. Use trash bin in the hallway if you want to throw out food or other, bigger pieces of trash.
- 8. If you are leaving, ask the other students if they possess the key.** If not, direct them to the reception. Do not leave anyone in the room without the keys, as you are the one responsible in case something happens.
- Report any damaged equipment or dirty study area immediately to the study room managers or student representative of the block. Violation of rules will result in punishment appropriate to the degree of violation committed.
